**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 17 You shall undergo a substance abuse evaluation and, if indicated, enter into and successfully complete an approved substance abuse treatment program, including aftercare. You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.
- 18 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

On June 5, 2008, Mr. Young submitted a urine sample that tested positive for amphetamine and methamphetamine. Mr. Young admitted to having used such controlled substance and agreed to obtain a drug and alcohol evaluation, participate in recommended treatment, in addition to submitting to random urinalysis testing. The attached waiver and hearing to modify conditions of supervised release was reviewed with Mr. Young. The requested modification will allow Mr. Young to address his chemical dependency issues.

Mr. Young was advised of the potential impact this modification could have on his supervision, and he acknowledged this understanding verbally and with his signature.
